EPIC DEVELOPMENTS

ABOUT US

MISSION

We are a company dedicated to the construction of architectural projects, whose mission is to satisfy the needs of our clients before, during and after the project is finished. Complying with the quality standards and deadlines set by it, satisfying our customers through the demand in the quality control of our finished products.

VISION

To be the construction company of reference at a regional level, leading the market through responsibility and efficiency, fulfilling each and every one of the tasks entrusted on time, making all our staff feel motivated and proud to belong to our organization , promoting control and quality in service, always seeking to give more of themselves and with this achieve customer satisfaction

EXPERIENCE

SOLID DEVELOPERS

We are a group of companies with more than 20 years of experience in the construction industry that has the strength and efficiency in more than 62 projects together, in addition to having extensive knowledge of the Riviera Maya area by having developments that are currently functional and part of our current business assets.

EPIC DEVELOPMENTS

DIRECT MARKETING

We have an internal Sales and Marketing area that allows better control over the goods purchased with EPIC DEVELOPMENTS, as well as personalized monitoring throughout the purchase process.

We are also currently administrators of three hotels in the area that provide us with the expertise of hotel and condominium operations to provide a better return on investment to our clients.
